## BYWAYS OF EXCELLENCE AWARDS

*Sponsored by the Clay County Hospital Foundation*

What makes Clay County a special place to live, work, and raise families? As you peel away those first thoughts that come to mind in answering this question, think about all the people that have contributed their time, efforts, and money in making Clay County a better place. Without their dedication and persistence, what would Clay County look like today?

The Clay County Hospital Foundation is creating a new tradition of recognizing those that have truly made Clay County a better place to live. The Foundation has created the “Byways of Excellence Award.” The Excellence Awards are a celebration of our communities, honoring three adults and one youth from Clay County. Through their professional and/or personal contributions, these honorees have bettered our communities and established a legacy on which future Excellence Award honorees will build. It is the purpose of the annual Byways of Excellence Awards Dinner to recognize individuals for their contributions to the communities in which we live.

The Byways of Excellence Awards will honor an individual for their contributions in the fields of:

- Agriculture and/or Business; Education
- Arts & Humanities, and/or Civic Leadership
- Health, Medicine and Other Professionals.
- Youth - 18 Years and under

Help us recognize and honor those that have made a difference.

Nomination forms are available in Flora at Flora Bank and Trust, In Clay City at The Clay City Banking Company, in Xenia at The 1<sup>st</sup> Community Banking of Xenia and in Louisville at The North Clay Banking Center or by request by calling:
