

## News Release

CCH Medical Clinic is pleased to announce the arrival of Dr. Faiyaz Ahmed. We are grateful for his background and experienced care as an adult and pediatric physician. Dr. Ahmed has agreed to serve as a *locum tenens* physician, (one who is temporarily fulfilling the duties and responsibilities in the absence of another member of the same profession), while we complete recruitment of a new family physician to the community. Dr. Ahmed is now seeing patients at CCH Medical Clinic.

Dr. Ahmed completed his medical education at Dow Medical College in Karachi, Pakistan, in 1965, then completed an internship at St. Thomas Hospital in Akron, Ohio, in 1970. He then went on to complete two pediatric residencies at St. Elizabeth Health Center and Akron Children's Hospital in Akron.

Experienced in adult, pediatric, and emergency medicine, he has been in practice for over 25 years and is certified by the American Board of Pediatrics. Dr. Ahmed makes his home in Peoria, Illinois.
