

Pediatrician Signs to Serve at CCH Medical Clinic

Flora, IL – August 31, 2007 - This morning, Clay County Hospital is pleased to announce that Dr. Michael Klingler, Pediatrician, has signed a contract to join the medical staff at the CCH Medical Clinic. A 1995 graduate of Noble High School, Dr. Klingler began his education at Olney Central College, and completed his undergraduate degree at University of Illinois at Urbana-Champaign in 2000 where he graduated with highest honors. He received his medical degree at University of Illinois College of Medicine in Peoria in 2005. Dr. Klingler is currently at St. Louis University, and will finish with his categorical pediatric residency program in August 2008 when he will join us. Dr. Klingler comes to us highly recommended by his supervising physicians.

He shares his life with wife, Amanda, also a Noble High School graduate, and one-year-old twin sons, Aaron and Isaac. Currently living in O'Fallon, Illinois, Dr. Klingler and his wife are looking forward to moving back to this area to be near their families. He is looking forward to serving children in Clay County and the surrounding area with excellent pediatric care.

Dr. Klingler has served on many committees that involve pediatrics and the best interests of children, and has received many awards and honors. He enjoys spending time with his family, boating, skiing, basketball and ATV riding.
