Scrappy Piecemakers Quilt Guild of Clay City Donates Quilt to Hospital Foundation

A quilt was recently donated to the Clay County Hospital Foundation by the Scrappy Piecemakers Quilt Guild of Clay City. The blocks, originally embroidered by Joan Bayler of Clay City, were donated to the Guild, then Pat Schopf, a member of the Guild assembled the blocks. The Guild then hired Joyce Benskin to hand-quilt the top. When the hand-quilting was finished, Pat Staser, also a member of the quilt guild, applied the binding. The Guild then voted to donate the quilt to the Hospital Foundation. Members of the Guild presenting the quilt to the Foundation were Melba Britton and Jeanne Harbin.
